

Environmentally-Friendly Disposable Foodware Purchasing Guide

Version 1.0

To help restaurants comply with the Village of Oak Park's polystyrene ordinance, a sample of environmentally-friendly (compostable, recyclable) disposable foodware.

This is by no means an exhaustive list, but an opportunity to explore available products and their manufacturers.

We also do not recommend one manufacturer or product over another, but are providing information for exploration and support restaurants in meeting the ordinance requirements.

If you have questions about the ordinance and its requirements, please contact Erica Helms at ehelms@oak-park.us.

If you need support navigating replacement options for disposable foodware, please contact SEDAC at 800-214-7954 or sedac-info@illinois.edu (<https://smartenergy.illinois.edu/>)
